## **BABY'S FIRST YEAR PACKAGE**

## **PORTRAIT SESSIONS**

These sessions will generally last from 1-2 hours. Longer sessions allow for rest and play so I can capture your child naturally & comfortably. A happy and content baby results in GREAT portraits!

## **SESSION TIMES**

**Birth to 3 weeks** - It is time to spread the good news! Birth announcements, siblings & baby, Dad with baby & sleeping baby poses.

**3 months** - Little hands and little feet, belly time and adorable tush! Mom & baby pose. This is a great time for a “baby parts” collage.

**6 months** - This is a perfect age to share with friends and family to show just how much your baby has grown and changed.

**11 months - 1 Year** - It is fun to do a 1 year photo at 11 months to send as invitations for the 1st birthday party. I LOVE this session. Bring their favorite stuffed animal, toy or blankie. What fun & good exercise chasing your little one around!

## **CLOTHING**

Babies look best in their own perfect skin! Consider a simple onesie or favorite blanket. Opt for simple clothing in light colors and soft patterns; busy patterns and stripes detract from your child’s natural beauty & **Spirit**.
